Rover...  a gardener's best friend

CONTENTS

CREATE YOUR
PERFECT
GREEN SPACE

With over 60 years experience in Australia, Rover offers you a large range of durable and simple to use lawn mowers that give lawns an amazing finish. Our Rover lawn mowers are also fitted with Safe Stop, an engine brake that keeps you and others around you safe at all times.

Our feature packed range of ride on mowers and zero turns offer superior performance and are ideal for large areas. With durability, performance and comfort in mind, our Rover ride ons and zero turns make mowing your lawn easier and more enjoyable.

We offer a range of handheld equipment to complement our grass cutting equipment including attachment capable line trimmers and a powerful blower.

Rover's garden products are also built to last. With a range of tough log splitters, versatile chipper shredders, as well as our hard working tiller for those hard ground breaking jobs, Rover seasonal equipment is there for you all year round.

RIDE ONS & ZERO TURNS

MY ROVER DELIVERS
PERFORMANCE
I CAN RELY ON

From ride on mowers through to zero turns, Rover has a feature packed rider to suit your needs. Our Rover ride ons fitted with a Rover or Kawasaki engine come with a 5 year engine plus 5 year unit domestic use warranty* so you can enjoy your Rover for years to come.

*See back page for more information on engine and unit warranties.

All Rover ride ons fitted with a Rover or Kawasaki engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

With a range of engines, decks and transmissions, there is a Rover ride on to suit any application.

ROVER ENGINES

Rover engines feature a 5 year domestic use warranty for added peace of mind.

R

CHOICE OF TRANSMISSIONS

Choose from easy to use 6 speed (shown) or hydrostatic transmissions for greater manoeuvrability and smoother driving when mowing.

6S

HT

COMPACT STYLING

Ideal for smaller storage areas and allows the rider to manoeuvre between narrow gates.

CS

TELESCOPIC STEERING

Allows the operator to adjust the steering height for a more comfortable ride.

TS

OPTIONAL MULCH KIT

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

MK

DECK WASH

Helps maintain cutting deck in optimum condition by clearing away debris.

DW

MICRO RIDER

- Incredibly compact ride on mower with a **6 speed transmission**
- Only 80cm wide
- Fits through narrow gates and is ideal for compact storage areas
- Optional mulch kit available, sold separately

R 6S CS MK

MINI RIDER 382/30

- Compact rider featuring a **6 speed transmission** with a more powerful engine and larger 30" deck
- Fits through narrow gates and is ideal for compact storage areas
- Features a standard front bumper
- Optional mulch kit and catcher available, sold separately

R 6S CS TS MK DW

MINI RIDER 382/30 HYDRO

- Compact rider with a more powerful engine and larger 30" deck
- Provides smoother driving with a **foot-operated hydrostatic transmission**
- Fits through narrow gates and is ideal for compact storage areas
- Features a standard front bumper
- Optional mulch kit and catcher available, sold separately

R HT CS TS MK DW

RAIDER 439/38

- Features a larger 38" deck and **6 speed transmission**
- Ideal for large areas
- Optional mulch kit, front bumper and catcher available, sold separately

R 6S MK

All Rover ride ons fitted with a Rover or Kawasaki engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

CHOICE OF ENGINES

Choose from either Rover or Kawasaki engines featuring a 5 year domestic use warranty or a Kohler engine.

R
KA

RANGE OF TRANSMISSIONS

Available with CVT Autodrive for car-like mowing and either hand (shown) or foot-operated hydrostatic transmissions for better manoeuvrability and smoother driving when mowing.

CVT
HT

ELECTRIC PTO

Easily engages and disengages the mowing deck saving time and energy.

PTO

DECK WASH

Helps maintain cutting deck in optimum condition by clearing away debris.

DW

HIGH BACK SEAT

Offers extra comfort. The Lawn King 21/42 also feature arm rests (shown) for the ultimate in comfort when mowing for extended periods.

HB

OPTIONAL MULCH KIT

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

MK

RANCHER 547/38 AUTODRIVE

- Powerful engine and 38" deck
- Ideal for mowing large areas quickly and efficiently
- Smooth, car-like driving with a **foot-operated CVT Auto Drive transmission**
- Optional mulch kit, front bumper and catcher available, sold separately

R CVT MK

RANCHER 547/42

- Powerful engine and larger 42" deck
- Ideal for mowing large areas quickly and efficiently
- Gives you smooth driving with a **hand-operated hydrostatic transmission**
- Optional mulch kit, front bumper and catcher available, sold separately

R HT DW MK

LAWN KING 18/42

- Powerful engine and larger 42" deck ideal for mowing large areas quickly and efficiently
- Smoother driving with a **foot-operated hydrostatic transmission**
- Electric PTO allows mowing deck to be easily engaged and disengaged
- Optional mulch kit, front bumper and catcher available, sold separately

KA HT PTO DW HB MK

LAWN KING 21/42

- Bigger, more powerful engine and larger 42" deck ideal for mowing large areas quickly and efficiently
- Smoother driving with a **foot-operated hydrostatic transmission and auto locking diff for increased traction control**
- Electric PTO allows mowing deck to be easily engaged and disengaged
- Optional mulch kit, front bumper and catcher available, sold separately

LAWN MOWERS

MY ROVER IS
EASY
TO USE

Our Rover lawn mowers fitted with a Rover engine come with a 5 year engine plus 5 year unit domestic use warranty* so you can enjoy your Rover for years to come.

An engine brake is fitted to stop the engine upon release of the handle for added safety and peace of mind.

**SAFE
STOP**

*See back page for more information on engine and unit warranties.

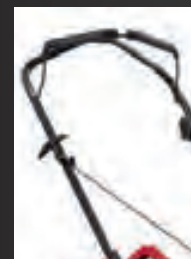

LAWN MOWERS

All Rover lawn mowers fitted with a Rover engine feature a 5 year engine plus 5 year unit, domestic use warranty for added peace of mind.

Featuring classic styling and proven 1.8mm, high arch steel decks with mulching options, the Rover Duracut range of lawn mowers are simply a cut above.

SAFE STOP
An engine brake is fitted to stop the engine upon release of the handle for added safety and peace of mind.

DECK WASH
Helps maintain your cutting deck in optimum condition by clearing away debris.

LARGE CATCHER WITH FILL INDICATOR
45L catcher keeps emptying grass to a minimum. The fill indicator shows when the catcher is full.

BALL BEARING WHEELS
Reduces friction when pushing the lawn mower saving time and effort.

MULCHING OPTION
Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

MySPEED TECHNOLOGY
Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

DURACUT 410

Under 1/4 Acre

- Ideal for small areas with fine to medium grass
- Large 45L catcher with fill indicator
- Variable throttle

DURACUT 420

Under 1/4 Acre

- Ideal for small areas with fine to medium grass
- Large 45L catcher with fill indicator
- Features standard mulch plug

HANDHELD

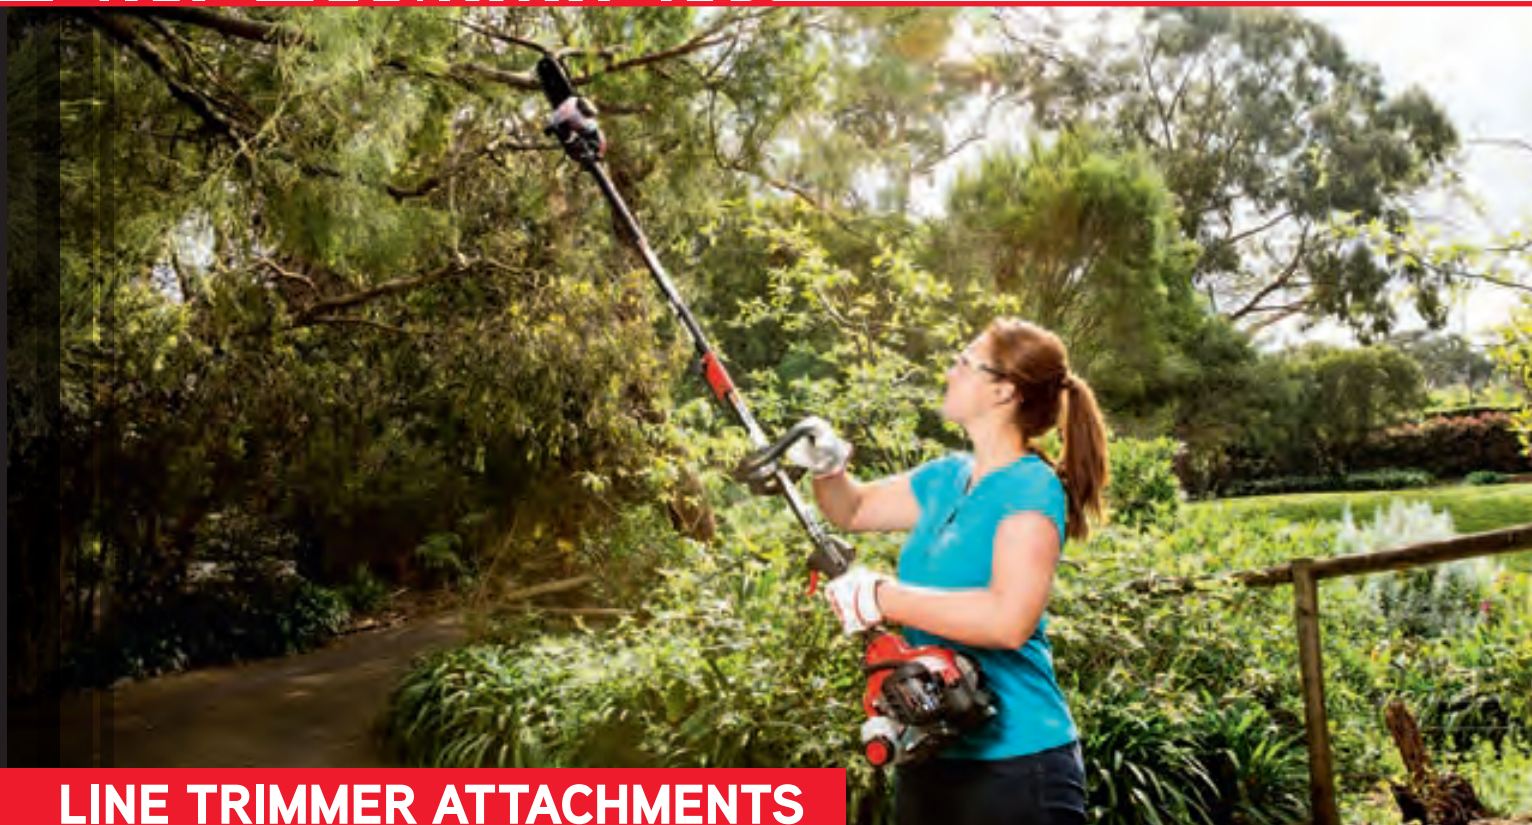

MY ROVER IS
QUALITY
WITHOUT COMPROMISE

The Rover handheld equipment range helps keep lawns and gardens tidy with a range of attachment capable line trimmers and a handy blower vac

LINE TRIMMERS

LINE TRIMMER ATTACHMENTS

PRUNING SAW

- 20cm (8") bar length with a narrow radius and safety chain
- Extension boom reaches up to 3.3m (11ft)

HEDGE TRIMMER

- 56cm (22") double-sided, dual-action blades
- Articulating blade adjusts from 0-125°

BROOM

- 30cm (12") swath for a wide cleaning width
- Stiff nylon bristles clear grass clippings and debris

BRUSH CUTTER

- 20cm (8") steel reversible blade
- Pro-style straight shaft

BLOWER

- High performance axial fans pump up to 500 cfm of air volume
- Ideal for larger areas
- Concentrator nozzle for maximum air flow and force, and cleans up hard to reach, wet or sticky areas

LAWN EDGER

- Hardened 19cm (7") steel blade.
- Adjustable blade depth to 6cm (2")

CULTIVATOR

- Adjustable tilling width from 13cm - 23cm (5"-9")
- Heat treated 20cm (8") steel tines

ACCESSORIES

Rover line trimmers are power start ready giving you consistent, easy starts. They are also attachment capable making our 2 and 4-stroke line trimmers one of the most versatile pieces of equipment for your garden.

ROVER 200ML 2-STROKE PREMIUM ENGINE OIL

Semi-Synthetic, premium engine oil suitable for all 2-stroke Rover engines with a low smoke, low ash formulation.

ROVER 1 LITRE 2-STROKE PREMIUM ENGINE OIL

Semi-Synthetic, premium engine oil suitable for all 2-stroke Rover engines with a low smoke, low ash formulation.

ROVER SHOULDER STRAP

Line trimmer shoulder strap gives you added comfort especially when trimming for long periods. Fits all Rover line trimmers.

VACUUM KIT

Turns your blower into a vacuum and features a 35 litre bag to collect leaves and other debris. Kit comes standard with the R2BV Blower Vac.

R2600 LINE TRIMMER

25CC, 2-STROKE ENGINE

- Two-piece curved shaft gives greater balance and a clearer view of the area being trimmed
- 43cm (17") cutting swath trims more grass in less time
- Weighs 5.2kg

RS3100 LINE TRIMMER

30CC, 4-STROKE ENGINE

- 30cc, 4-stroke engine - no need to mix oil and petrol
- Trims hardy areas with ease
- Two-piece straight shaft gives greater reach under difficult to trim areas
- 43cm (17") cutting swath trims more grass in less time
- Weighs 7kg

RS2650 LINE TRIMMER

25CC, 2-STROKE ENGINE

- Two-piece straight shaft gives greater reach under difficult to trim areas
- 43cm (17") cutting swath trims more grass in less time
- Weighs 5.5kg

R2BV BLOWER VAC

27CC, 2-STROKE ENGINE

- Airflow velocity of up to 241kph
- Ideal for blowing leaves and yard debris
- Features a vacuum kit with 35 litre bag giving you the option to collect leaves and other debris
- Weighs 4.4kg

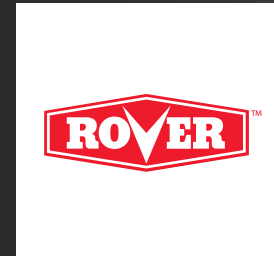

SEASONAL EQUIPMENT

Rover is there all year round. Choose from a superb range of tough log splitters, a versatile chipper shredder vacuum, as well as our hard working tiller to help you split, chip, shred and till no matter what the season.

The Rover Super Bronco CRT Tiller is the perfect choice for breaking up loosened soil and new ground. Featuring power reverse, this tiller gives you easy manoeuvrability for those tougher jobs.

ROVER ENGINES

Rover engines feature a 5 year domestic use warranty for added peace of mind.

FRONT BUMPER

Helps protect the front of the machine from damage.

POWER REVERSE

Easily manoeuvre the tiller around difficult areas.

TILLING DEPTH

Tilling depths of up to 15cm (6") helps to loosen soil, kills weeds and allows fertiliser into the soil.

TILLING WIDTH

Tilling widths of up to 41cm (16") allows you to till your yard quickly and efficiently.

8 TON LOG SPLITTER

- 141cc Rover engine with 8 tons of ram
- Ideal for smaller logs with a log capacity of up to 48cm (19") length
- 24 second ram cycle quickly and efficiently splits log
- Horizontal use ideal for logs being carried to the machine and allows wood to be split into a catchment such as a wheelbarrow
- Hydraulic oil included

33 TON LOG SPLITTER

- Powerful 277cc Rover engine with 33 tons of ram pressure
- The power to cut through larger logs with a log capacity up to 64cm (25") in length
- 19 second ram cycle quickly and efficiently splits logs
- Horizontal or vertical operation ideal for different storage needs and small or large logs
- Hydraulic oil included

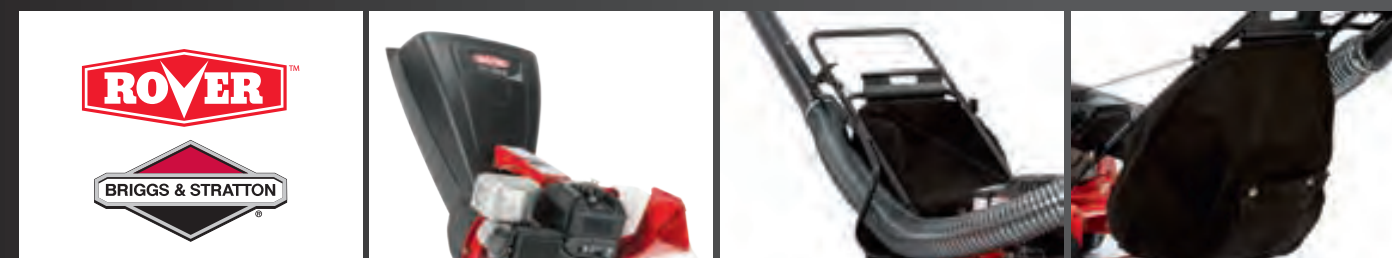

SUPER BRONCO CRT TILLER

- 208cc Rover engine
- Tilling depth of up to 15cm (6")
- Ideal for medium areas
- Power Reverse makes it easy to manoeuvre the machine in difficult areas
- Counter rotating tines are perfect for breaking new ground
- Rear tines make it easier to till hard ground with less effort

Rover's powerful and versatile chipper shredders and chipper shredder vacuums make light work of mulch for your garden.

CHOICE OF ENGINES

Choose from Rover engines featuring a 5 year domestic use warranty or Briggs & Stratton engines.

R
B

3-WAY FEED SYSTEM

Chipper chute for longer twigs and branches; a drop down, rake in chute for debris on the ground; or a drop in hopper for leaves and garden clippings.

3n1

EASY TO USE VAC HOSE

The chipper shredder vac hose gives you longer reach and easily vacuums garden debris in difficult to reach areas.

VH

EFFICIENT REDUCTION

The chipper shredder & chipper shredder vacuum range features large collection bags that fit more debris in to minimize the need to empty the bag frequently saving you time and effort.

TOTAL PIECE OF MIND ROVER'S INDUSTRY-LEADING 5+5 YEAR WARRANTY

At Rover, we believe in the performance and durability in our range of products. With features like the industry leading 1.8mm deck thickness on our steel deck lawn mowers, our products are built to last.

We are so confident in the strength of our products that we offer a 5 year engine plus 5 year unit, domestic use warranty* so you can enjoy your Rover for years to come.

Our belief continues through to our Rover engines that give you both a powerful performance and added peace of mind with a 5 year, domestic use warranty.

For more information on our 5 year plus 5 year warranty, contact your local Rover Dealer.

*5 year domestic use unit warranty excludes the Rover handheld range.
5 year domestic use engine warranty includes both Rover and Kawasaki engines.

Non-Rover engine warranties (Kawasaki engines excepted) are 2 year domestic use and are set by the manufacturer. For information on our commercial warranties and for full warranty terms and conditions, contact your local Rover Dealer.

Not all products available at all dealers. A failure by a supplier to deliver in accordance with sample description or not at all or other unintentional causes may result in some products being unavailable. Product availability, images and specifications may change without prior notice. Images may not reflect dealer inventory or unit specifications. Recommended lawn sizes are supplied for general guidance only and are based on standard areas - please see your local Rover Dealer for more information. Engine descriptions, warranty and horsepower (HP) are by the engine manufacturer. NOV22
