WITH INTELLIPOWER™

**POWER
FOR THE
LONG RUN**

INTELLIPOWER™

OPTIMISED ENGINE TECHNOLOGY

**DELIVERS UP TO
20%* MORE POWER**

XT1
ENDURO SERIES™

&

**POWER ON A
WHOLE NEW LEVEL**

The Cub Cadet XT1 LT 42 IntelliPower™ is powered by a Cub Cadet single cylinder 547cc OHV engine equipped with IntelliPower™ Technology which delivers consistent mowing performance for users challenged to cut through thick, coarse or damp, heavy grass.

▶ **Advanced Cutting Performance**

A muscular cutting system featuring a 107cm (42") stamped deck built with heavy-duty material and an advanced belt design ensures durability and reliability while delivering the pristine Cub Cadet Signature Cut™.

▶ **Incredibly Responsive Handling**

With a tight 16" turning circle that enables you to manoeuvre around obstacles on your lawn, the XT1's steering system delivers optimised command and control at every turn.

▶ **Smooth and Simple Operation**

Features a Turff Torq foot controlled hydrostatic transmission, no shifting - just push the pedal and go.

What Is IntelliPower™ Technology?

IntelliPower™ technology digitally monitors and maintains engine speed giving operators up to 20%* more available power that can be felt and heard. This power gives riders the ability to better tackle heavy, coarse or damp grass without bogging or slowing down. Especially effective during periods of lush, heavy rainfalls, IntelliPower™ maintains consistent blade speed and a clump-free Signature Cut™ while still providing power for superior mulching and bagging performance. Responsive, tailored power is delivered by an electronic governor in periods of high resistance which is also beneficial when operating on hilly terrain.

*When compared to the same engine without IntelliPower;™ improvements vary depending on engine models and specific operating conditions.

Model No.	13A6A9CS330
Engine	547cc Cub Cadet single OHV with IntelliPower™
Cutting Deck	107cm (42"), pressed steel, 13-gauge, twin-blade with deck wash
Transmission	Tuff Torq™ foot-controlled hydrostatic
PTO	Manual
Tyres	Front: 15.00 x 6.00 Turf Saver Rear: 20.00 x 8.00 Turf Saver
Seat	High-back comfort seat
Fuel Tank	11.4 litres
Warranty	Unit: 6-year domestic & 90 day commercial Engine: 6-year domestic & 90 day commercial
