

## HUSQVARNA LC 247i

Efficient, ergonomic battery lawn mower for midsize gardens This battery lawn mower has a large cutting width so you can take care of medium-sized lawns easily and efficiently. Adjustable handle, easy to reach bail and quick and easy cutting height adjustment offer great ergonomics. The handle and collecting bag fold flat for better storage, and front and rear handles help with lifting. Features the SavE™ mode for a great cut with less energy, and PowerBoost to handle thicker grass. Compatible with our 36V battery system.

### Lifting handle front and rear

Easy grip in front and rear for lifting into storage, the car or carrying up stairs.

### Easy adjustable handle

Quick and easy adjustment of the handle in two different heights.

### Ergonomic handle

Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

### Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

## FEATURES
