TR 348

Product no: 970 44 86-01

L The TR 348 is a light-weight, compact and easy to use tiller with great manoeuvrability. Equipped with high-quality transmission, Heli-coiled tines and 48 cm working width it offers both great performance and durability.

Reliable Power

High specification engine delivers reliable power and performance even under load.

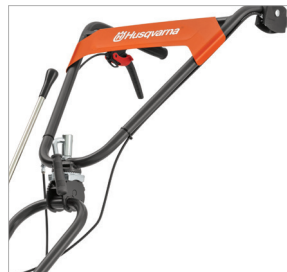

Deep digging and preparation

The heli-coiled tines break up soil smoothly even in tough conditions.

Adjustable handlebar

Adjustable handlebar, both horizontally and vertically, for best working position.

Foldable handlebar

For safe and sturdy operation. The counterweight increases weight on the wheels and improves balance.

Convenient gear selection

Easy access to the convenient gear selection lever for simple gear changes of both forward and reverse gears.

Tine shield

The durable tine shield minimises debris spray and ensures a more controlled, safe and tidy work area.
