

TS142TXD

Product no: 960 41 04-50

Husqvarna
READY WHEN YOU ARE

H The TS142TXD is ideal for home and landowners with larger gardens who need a durable and comfortable garden tractor with high manoeuvrability. Driven by a powerful Kawasaki FR Series V-Twin engine and pedal-operated hydrostatic transmission with automatic differential lock for superior control and traction in all conditions. The side ejection cutting deck provides maximum cutting capacity even on areas that are cut less frequently. Collector and BioClip® kit are available as optional accessories.

Kawasaki V-Twin engine

Fully pressure-lubricated, two-cylinder Kawasaki engine with oil pump and oil filter. Powerful and quiet.

Fender-mounted cutting height adjustment

Easy accessible cutting height adjustment for improved ergonomics. The spring-assisted cutting deck makes adjustment easier.

Hydrostatic transmission with locking differential

The pedal operated hydrostatic transmission offers a smooth, variable forward and reverse speed while the standard automatic locking rear differential increases traction in all cutting conditions.

Electric blade engagement

Easy engagement of cutting blades - simply pull the switch on the control panel.

Cruise control

Ensures the garden tractor maintains consistent speed, even in rough terrain.

Deluxe comfort seat

Deluxe comfort seat features premium vinyl, stitched design and extra thick cushions for improved comfort and superb ride quality.

Air Induction™

Our innovative Air Induction™ mowing system draws clean air from the top and bottom of the deck, enhancing air flow which results in greater grass lift and superior cut.

Pivoting front axle

The pivoting front axle provides excellent balance and driving comfort, ensuring superior access.
