

JACOBSEN

GK 500™

NEW

15

BLADE REEL

The GK 500 series by Jacobsen® includes the 518, good for undulating turf, the 522, and the 526 for increased productivity on flat greens and tees. This durable, reliable walking greens mower comes standard with a 15-blade Classic XP™ reel to deliver Jacobsen's legendary quality-of-cut.

- **15-blade Classic XP™ Reel** - Provides superior frequency-of-clip compared to competitive walking greens mowers.
- **InCommand™ Control System** - Features user-friendly D-handle with variable speed control and more functional operator presence controls.
- **Precision Balanced** - Precisely balanced for true, straight-line tracking.
- **Optional Turf Groomer®** - Improves turf conditions through three-dimensional mowing.
- **Durable Centrifugal Clutch** - Engages easily for smooth operation with no adjustments required.
- **Quiet belt drive system** uses no oils, eliminating leaks on your green.
