

JACOBSEN

PGM 22™

NEW

15

BLADE REEL

You can depend on the lightest walking greens mower available to limit disruption to your turf in tough conditions. A durable gear and chain drive keeps the PGM 22™ by Jacobsen® mowing with little maintenance required. Comes standard with 15-blade Classic XP™ reel to deliver Jacobsen's legendary quality-of-cut.

- **15-blade Classic XP™ Reel** - Provides Jacobsen's legendary quality-of-cut
- **InCommand™ Control System** - Features user-friendly D-handle with variable speed control and more functional operator presence controls.
- **Precision Balanced** - Precisely balanced for true, straight-line tracking.
- **Optional Turf Groomer®** - Improves turf conditions through three-dimensional mowing.
- **Durable Centrifugal Clutch** - Engages easily for smooth operation with no adjustments required.
