

HX02 SERIES

CAB

WHEN YOU THOUGHT IT COULDN'T GET ANY BETTER.

Introducing the HX 1402 and HX 1302, the epitome of modern agricultural excellence. With a suite of cutting-edge features, these tractors are designed to elevate your farming experience to unprecedented levels of comfort, efficiency, and precision.

Illuminate your workday with the advanced LED light package, offering unparalleled visibility in any condition, whether it's the darkest night or the brightest day. Bid farewell to discomfort with the cab suspension system, engineered to absorb shocks and vibrations, ensuring a smooth and comfortable ride even over the roughest terrain.

Unlock unparalleled versatility with the hydraulic top link, allowing effortless adjustment for precise control of implements, empowering you to tackle any task with ease and efficiency. Simplify your operations with Easy Stop technology, which streamlines navigation and enhances safety with intuitive controls, making every maneuver a breeze.

The HX 1402 comes fully equipped with all the extras, while the HX 1302 boasts the advanced LED light package, ensuring that no matter which model you choose, you'll experience the pinnacle of tractor innovation and performance.
