Rover...  a gardener's best friend

CREATE YOUR  
**PERFECT**  
GREEN SPACE

With 60 years experience in Australia, Rover offers you a large range of durable and simple to use lawn mowers that give lawns an amazing finish. Our Rover lawn mowers are also fitted with Safe Stop, an engine brake that keeps you and others around you safe at all times.

Our feature packed range of ride on mowers and zero turns offer superior performance and are ideal for large areas. With durability, performance and comfort in mind, our Rover ride ons and zero turns make mowing your lawn easier and more enjoyable.

We offer a full range of handheld equipment to complement our grass cutting equipment including attachment capable line trimmers, powerful blowers and a heavy-duty lawn edger. Our Rover Power Start cordless starter also gives you the opportunity to eliminate pull starts to make starting our trimmers and blowers easier, saving you time and effort.

Rover's garden products are also built to last. With a range of tough log splitters, versatile chipper shredders and chipper shredder vacuums, as well as our hard working tiller for those hard ground breaking jobs, Rover seasonal equipment is there for you all year round.

The Rover Powered by CORE range of cordless power garden tools includes a battery powered lawn mower, hedge trimmer, blower and line trimmer. This entire range operates on the same battery to give you a powerful and an efficient way to maintain your garden without the need for petrol.

# CORDLESS POWER GARDEN TOOLS

## WHAT IS CORE?

CORE is a revolutionary motor design that powers the new Rover battery range of cordless power garden tools. The CORE motor generates maximum torque to give you a motor that is:

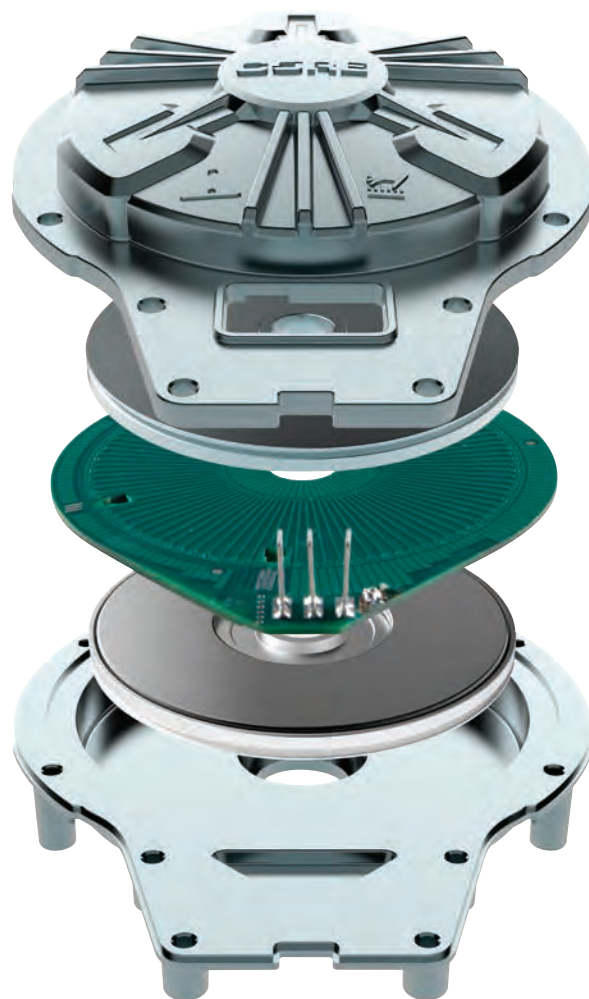

**SIMPLE:** there are no complex motor windings or brushes to wear out

**DURABLE:** the CORE motor comes with a limited lifetime warranty

**EFFICIENT:** provides a longer run time under load

**POWERFUL:** produces torque similar to that of a petrol powered mower

Best of all, the same CORE battery can be used across the entire CORE product range for an efficient lawn and garden care system without the need for petrol.

Get the reliable and powerful performance you expect from a Rover without the petrol engine with Rover's simple to use new cordless power garden tools range.

**CORE MOTOR** CM

Gives you the power and performance of a petrol engine without the need for petrol for efficient, cleaner and quieter outdoor power equipment.

**POWER OUTPUT DISPLAY** PD

Shows real-time motor performance allowing you to estimate usage time and encourages more efficient use of the power available.

**SIMPLE START** SS

No more pull starts. Insert the override key then simply press and go.

**STEEL DECK** SD

Heavy-duty 1.8mm, high arch steel decks cut to the edge both sides for effortless mowing to save time.

**LARGE CATCHER WITH FILL INDICATOR** LC

45L catcher keeps emptying grass to a minimum. The catcher fill indicator shows when the catcher is full.

**CORE<sup>™</sup>

Rover power garden tools offer a range of lawn and garden equipment that operates on the same battery giving you a powerful and efficient way to maintain your yard.

### CORE MOTOR

CM

Gives you the power and performance of a petrol engine without the need for petrol for efficient, cleaner and quieter outdoor power equipment.

### POWER OUTPUT DISPLAY

PD

Shows real-time motor performance allowing you to estimate usage time and encourages more efficient use of the power available.

### VARIABLE SPEED

VS

Variable Speed trigger puts you in control of the power.

## NOT ONLY POWERFUL, BUT DURABLE.

The Rover cordless power garden tool range is built to last featuring the industry's only motor backed by a **limited lifetime warranty** giving you added peace of mind.

Add the **5 year domestic warranty** on the unit and a **3 year domestic warranty** on CORE batteries, Rover's cordless battery range will help you maintain your yard for years to come.

## CORE™ R4200 LINE TRIMMER

- 40V CORE Motor gives you the power and performance of a petrol engine without the need for petrol
- 41cm (16") cutting swath trims more grass in less time
- Straight shaft gives greater reach under difficult to trim areas

## CORE™ R4144 4AH & CORE™ R6216 6AH BATTERY

The 40V maximum rechargeable lithium-ion battery powers the CORE system and motor. Fits every Rover CORE unit and features a battery voltage indicator for ease of use. Available in a 4Ah Battery or 6Ah Battery, sold separately.

## CORE™ R4044 BATTERY CHARGER

The CORE Battery Charger charges both the 4Ah and 6Ah 40V maximum rechargeable lithium ion batteries. Also features an on-board fan to help keep the charger cool.

# SPECIALIST MOWERS

## CYLINDER MOWER REPLACEMENT CARTRIDGES

### AERATOR

- Slits soil to ease air/water movement
- Has the added benefit of pruning the roots causing vigorous lawn growth and activity

### DE-THATCHER

- Wider spaced thicker tines penetrate the soil to a depth of up to 0.6cm (1/4")
- Helps to remove the densest layers of thatch

### LAWN BRUSH

- Clearing worm casts and general surface debris, the lawn brush is useful for covering renovating seed material or to work in top dressing
- A gentle treatment to your lawn

### 10-BLADED CARTRIDGE

- Hardened and ground steel cylinder and bottom blade for precision cutting

### VERTICUTTER

- Gives you 'vertical mowing'
- Thin and closely spaced tines remove lateral growth and moss.

### SCARIFIER

- Spring tine scarifier gently removes moss as an in-season treatment
- Attacks/disturbs coarse grasses and creeping weeds

# SPECIFICATIONS

Rover specialist mowers are designed for difficult to cut areas and precision cutting. The Rover Hi Wheeler Utility Mower features high rear wheels to give you greater handling on uneven terrain, whereas the Rover Liberty Battery Powered Cylinder Mower is perfect for precision cutting to give your lawn a professional, quality finish.

## TOTAL PIECE OF MIND ROVER'S INDUSTRY-LEADING 5+5 YEAR WARRANTY

At Rover, we believe in the performance and durability in our range of products. With features like the industry leading 1.8mm deck thickness on our steel deck lawn mowers, our products are built to last.

We are so confident in the strength of our products that we offer a 5 year engine plus 5 year unit, domestic use warranty\* so you can enjoy your Rover for years to come.

Our belief continues through to our Rover engines that give you both a powerful performance and added peace of mind with a 5 year, domestic use warranty.

For more information on our 5 year plus 5 year warranty, contact your local Rover Dealer.

\*5 year, domestic use unit warranty excludes the Rover handheld range (Rover lawn edger excepted).

5 year, domestic use engine warranty includes both Rover and Kawasaki engines but excludes the Rover Liberty 43 Cylinder Mower (features a 2 year domestic use engine warranty).

Non-Rover engine warranties (Kawasaki engines excepted) are 2 year domestic use and are set by the manufacturer. For information on our commercial warranties and for full warranty terms and conditions, contact your local Rover Dealer.

\*Approved applicants only. Fees, terms, conditions & minimum finance amounts apply, incl \$99 Annual Fee charged on the account open date and annually on the anniversary of that date. Annual Fee must be paid in full within 90 days or it will attract interest. 90 days Interest Free and no repayments available on all Skye Mastercard purchases (excluding cash withdrawals). Standard Card Purchase Rate applies to any outstanding balance after the 90 day Interest Free and no repayment period. Minimum monthly repayment required. Interest, (charged at the Expired Promotional Rate) payable on outstanding balances after any Interest Free Period. See [skyecard.com.au](http://skyecard.com.au) for current interest rates. Only available at Skye retail partners. Credit provided by FlexiCards Australia Pty Ltd ABN 31 099 651 877 Australian Credit Licence number 247415. FlexiCards Australia is a subsidiary of FlexiGroup Limited. Finance offers available for a limited time only, check [www.rover.com.au](http://www.rover.com.au) for up-to-date finance offers.

Not all products available at all dealers. A failure by a supplier to deliver in accordance with sample description or not at all or other unintentional causes may result in some products being unavailable. Product availability, images and specifications may change without prior notice. Images may not reflect dealer inventory or unit specifications. Recommended lawn sizes are supplied for general guidance only and are based on standard areas - please see your local Rover Dealer for more information. Engine descriptions, warranty and horsepower (hp) are by the engine manufacturer. OCT19
