Rover...  a gardener's best friend

CREATE YOUR  
**PERFECT**  
GREEN SPACE

With over 60 years experience in Australia, Rover offers you a large range of durable and simple to use lawn mowers that give lawns an amazing finish. Our Rover lawn mowers are also fitted with Safe Stop, an engine brake that keeps you and others around you safe at all times.

Our feature packed range of ride on mowers and zero turns offer superior performance and are ideal for large areas. With durability, performance and comfort in mind, our Rover ride ons and zero turns make mowing your lawn easier and more enjoyable.

We offer a range of handheld equipment to complement our grass cutting equipment including attachment capable line trimmers and a powerful blower.

Rover's garden products are also built to last. With a range of tough log splitters, a versatile chipper shredder vacuum, as well as our hard working tiller for those hard ground breaking jobs, Rover seasonal equipment is there for you all year round.

The Rover Powered by CORE range of cordless power garden tools includes a battery powered lawn mower, hedge trimmer, blower and line trimmer. This entire range operates on the same battery to give you a powerful and an efficient way to maintain your garden without the need for petrol.

# CORDLESS POWER GARDEN TOOLS

## WHAT IS CORE?

CORE is a revolutionary motor design that powers the new Rover battery range of cordless power garden tools. The CORE motor generates maximum torque to give you a motor that is:

**SIMPLE:** there are no complex motor windings or brushes to wear out

**DURABLE:** the CORE motor comes with a limited lifetime warranty

**EFFICIENT:** provides a longer run time under load

**POWERFUL:** produces torque similar to that of a petrol powered mower

Best of all, the same CORE battery can be used across the entire CORE product range for an efficient lawn and garden care system without the need for petrol.

Get the reliable and powerful performance you expect from a Rover without the petrol engine with Rover's simple to use cordless power garden tools range.

**CORE MOTOR** CM

Gives you the power and performance of a petrol engine without the need for petrol for efficient, cleaner and quieter outdoor power equipment.

**POWER OUTPUT DISPLAY** PD

Shows real-time motor performance allowing you to estimate usage time and encourages more efficient use of the power available.

**SIMPLE START** SS

No more pull starts. Insert the override key then simply press and go.

**STEEL DECK** SD

Heavy-duty 1.8mm, high arch steel decks cut to the edge both sides for effortless mowing to save time.

**LARGE CATCHER WITH FILL INDICATOR** LC

45L catcher keeps emptying grass to a minimum. The catcher fill indicator shows when the catcher is full.

**CORE<sup>™</sup>  
DURACUT 1010  
LAWN

**INTEREST FREE AVAILABLE**

T's & C's apply. See back page for full details.

Rover power garden tools offer a range of lawn and garden equipment that operates on the same battery giving you a powerful and efficient way to maintain your yard.

### CORE MOTOR

CM

Gives you the power and performance of a petrol engine without the need for petrol for efficient, cleaner and quieter outdoor power equipment.

### POWER OUTPUT DISPLAY

PD

Shows real-time motor performance allowing you to estimate usage time and encourages more efficient use of the power available.

### VARIABLE SPEED

VS

Variable Speed trigger puts you in control of the power.

## NOT ONLY POWERFUL, BUT DURABLE.

The Rover cordless power garden tool range is built to last featuring the industry's only motor backed by a **limited lifetime warranty** giving you added peace of mind.

Add the **5 year domestic warranty** on the unit and a **3 year domestic warranty** on CORE batteries, Rover's cordless battery range will help you maintain your yard for years to come.

## CORE™ R4200 LINE TRIMMER

- 40V CORE Motor gives you the power and performance of a petrol engine without the need for petrol
- 41cm (16") cutting swath trims more grass in less time
- Straight shaft gives greater reach under difficult to trim areas

## CORE™ R4144 4AH & CORE™ R6216 6AH BATTERY

The 40V maximum rechargeable lithium-ion battery powers the CORE system and motor. Fits every Rover CORE unit and features a battery voltage indicator for ease of use. Available in a 4Ah Battery or 6Ah Battery, sold separately.

## CORE™ R4044 BATTERY CHARGER

The CORE Battery Charger charges both the 4Ah and 6Ah 40V maximum rechargeable lithium ion batteries. Also features an on-board fan to help keep the charger cool.

# HANDHELD

The Rover handheld equipment range helps keep lawns and gardens tidy with a range of attachment capable line trimmers and a handy blower vac

# LINE TRIMMERS

## LINE TRIMMER ATTACHMENTS

### PRUNING SAW

- 20cm (8") bar length with a narrow radius and safety chain
- Extension boom reaches up to 3.3m (11ft)

### HEDGE TRIMMER

- 56cm (22") double-sided, dual-action blades
- Articulating blade adjusts from 0-125°

### BROOM

- 30cm (12") swath for a wide cleaning width
- Stiff nylon bristles clear grass clippings and debris

### BRUSH CUTTER

- 20cm (8") steel reversible blade
- Pro-style straight shaft

### BLOWER

- High performance axial fans pump up to 500 cfm of air volume
- Ideal for larger areas
- Concentrator nozzle for maximum air flow and force, and cleans up hard to reach, wet or sticky areas

### LAWN EDGER

- Hardened 19cm (7") steel blade.
- Adjustable blade depth to 6cm (2")

### CULTIVATOR

- Adjustable tilling width from 13cm - 23cm (5"-9")
- Heat treated 20cm (8") steel tines

# ACCESSORIES

Rover line trimmers are power start ready giving you consistent, easy starts. They are also attachment capable making our 2 and 4-stroke line trimmers one of the most versatile pieces of equipment for your garden.

### ROVER 200ML 2-STROKE PREMIUM ENGINE OIL

Semi-Synthetic, premium engine oil suitable for all 2-stroke Rover engines with a low smoke, low ash formulation.

### ROVER 1 LITRE 2-STROKE PREMIUM ENGINE OIL

Semi-Synthetic, premium engine oil suitable for all 2-stroke Rover engines with a low smoke, low ash formulation.

### ROVER SHOULDER STRAP

Line trimmer shoulder strap gives you added comfort especially when trimming for long periods. Fits all Rover line trimmers.

### VACUUM KIT

Turns your blower into a vacuum and features a 35 litre bag to collect leaves and other debris. Kit comes standard with the R2BV Blower Vac.

## R2600 LINE TRIMMER

### 25CC, 2-STROKE ENGINE

- Two-piece curved shaft gives greater balance and a clearer view of the area being trimmed
- 43cm (17") cutting swath trims more grass in less time
- Weighs 5.2kg

## R2650 LINE TRIMMER

### 25CC, 2-STROKE ENGINE

- Two-piece straight shaft gives greater reach under difficult to trim areas
- 43cm (17") cutting swath trims more grass in less time
- Weighs 5.5kg

## R2BV 2-ST BLOWER VAC

- Airflow velocity of up to 241kph
- Ideal for blowing leaves and yard debris
- Features a vacuum kit with a 35 litre bag giving you the option to collect leaves and other debris
- Weighs 4.4kg

# SEASONAL EQUIPMENT

MY ROVER

**WORKS HARD**

ALL DAY, EVERY DAY

Rover is there all year round. Choose from a superb range of tough log splitters, a versatile chipper shredder vacuum, as well as our hard working tiller to help you split, chip, shred and till no matter what the season.

## TOTAL PIECE OF MIND ROVER'S INDUSTRY-LEADING 5+5 YEAR WARRANTY

At Rover, we believe in the performance and durability in our range of products. With features like the industry leading 1.8mm deck thickness on our steel deck lawn mowers, our products are built to last.

We are so confident in the strength of our products that we offer a 5 year engine plus 5 year unit, domestic use warranty\* so you can enjoy your Rover for years to come.

Our belief continues through to our Rover engines that give you both a powerful performance and added peace of mind with a 5 year, domestic use warranty.

For more information on our 5 year plus 5 year warranty, contact your local Rover Dealer.

\*5 year domestic use unit warranty excludes the Rover handheld range.  
5 year domestic use engine warranty includes both Rover and Kawasaki engines.

Non-Rover engine warranties (Kawasaki engines excepted) are 2 year domestic use and are set by the manufacturer. For information on our commercial warranties and for full warranty terms and conditions, contact your local Rover Dealer.

\*Approved applicants only. Fees, terms, conditions and minimum finance amounts apply, incl. \$99 Annual Fee charged at the time the first debit is charged to your humm90 Mastercard Account and annually on the anniversary of that date. When you have met the Interest Free Criteria, the Annual Fee must be paid in full within the Interest Free Period or it will attract interest. If you do not meet the Interest Free Criteria the Annual Fee will attract interest from the date the Annual Fee is debited to your humm90 Mastercard Account. Up to 110 days Interest Free on humm90 Mastercard purchases (excluding cash advances) when you meet the Interest Free Criteria. Failure to make the required payments will result in you no longer meeting the Interest Free Criteria meaning that all new transactions from that day will be interest bearing from the date of the transaction. Any outstanding balance after the Interest Free Period reverts to the humm90 Mastercard Purchase Rate. Minimum monthly repayment required. Interest (charged at the Expired Promotional Rate) payable on outstanding balances after any Interest Free Period in relation to a Promotional Offer. See humm90.com.au for current interest rates. Only available at humm90 Mastercard retail partners. Credit provided by humm Cards Australia Pty Ltd ABN 31 099 651 877 Australian Credit Licence number 247415. Finance offers available for a limited time only, check [www.rover.com.au](http://www.rover.com.au) for up-to-date finance offers or ask in store for details.

Not all products available at all dealers. A failure by a supplier to deliver in accordance with sample description or not at all or other unintentional causes may result in some products being unavailable. Product availability, images and specifications may change without prior notice. Images may not reflect dealer inventory or unit specifications. Recommended lawn sizes are supplied for general guidance only and are based on standard areas - please see your local Rover Dealer for more information. Engine descriptions, warranty and horsepower (HP) are by the engine manufacturer. DEC20
