SIMPLY THE BEST.

★ LIBERTY ★ Z

LIBERATE YOUR WEEKEND

The all-new Liberty Z is the first Scag lawn mower designed specifically for the needs of our residential customers. However, this does not mean we took shortcuts and rolled out a “disposable” mower. On the contrary, the Liberty Z boasts many of the same heavy-duty features you have come to expect from Scag.

ZERO-TURN RIDER

- Low-maintenance mower design reduces grease points for owner convenience.
- Fully-fabricated and welded 48” or 52” cutter deck with anti-scalp rollers provides a beautiful quality-of-cut. This is the same proven deck design found on the Freedom Z models.
- Ground speeds up to 7 mph for high productivity.
- Hydro-Gear ZT2800 hydro transaxles (2 independent units with charge pumps and all-metal gears) deliver smooth drive power and feature spin-on oil filters for easy maintenance.
- Extra-low center-of-gravity for maximum stability.
- Large 11” front caster tires and 20” drive tires for solid traction and a smooth ride.
- Sealed aluminum cutter deck spindles with ball bearings deliver “maintenance-free”, high-performance operation; ½” thick mounting flange for incredible strength.
- Marbain cutter blades stay sharper, longer.
- Self-adjusting belt systems keep belts in constant, proper alignment for long life.
- Easy-to-release dump valves on transaxles allow the mower to be moved without the engine running.
- Easy access to the engine oil drain and filters for quick and simple maintenance.
- Powder-coat paint for a high-gloss finish and increased durability.
- Full-featured instrument panel with all controls within convenient reach of the operator.
- Digital hour meter features pre-programmed maintenance reminders to help you keep your mower running great.
- Large-diameter, padded, adjustable steering levers for ergonomic operation.
- Highly flexible discharge chute will not dent and is easy on the landscape.
- A variety of accessories are available to meet your specific needs: Grass Collection System, Mulch System, Halogen Light Kit, and Armrests.
- 3-year / 500-hour non-commercial mower warranty. See the Scag Limited Warranty Statement for details.

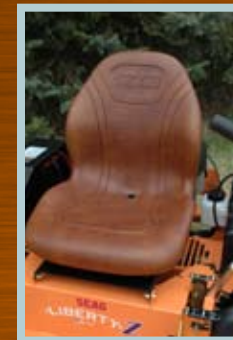

From its strong tubular steel frame, to its fully-fabricated cutter deck, the Liberty Z is built to provide you with years of reliable and productive service. In addition, the outstanding quality-of-cut will make your yard the envy of the neighborhood.

SCAG.COM

Heavy-duty tubular steel frame proves a solid foundation for years of reliable service.

Comfortable, cushioned and bolstered seat is adjustable and delivers a high level of comfort.

Spacious footplate has pierced, extruded steel pattern, allowing dirt and debris to fall through to maintain safe foot grip.

Easy-to-use height-of-cut adjustment is quick, and conveniently adjusts from 1½” to 4½” in ¼” increments.

Powerful Kohler 7000 series Pro V-Twin engine options provide smooth, reliable power. Protected by a heavy-duty rear engine guard.

5.5 gallon total fuel capacity maximizes refueling intervals to save time and get the job done fast. Cup holder built into fuel tank for operator convenience.

Model Listing

Model	HP*	Deck Size	Weight
SZL48-22KT	22	48”	620 lbs
SZL52-24KT	24	52”	640 lbs
